Overview

Kamakura Cocon is located in the Nikaido area, just beyond the bustling center of Kamakura, one of Kanagawa Prefecture's premier tourist destinations. This fully renovated, 160-year-old traditional Japanese house offers an exclusive and luxurious stay.

The property features two types of rooms: a Japanese-modern style room renovated from a kura (traditional Japanese storehouse) and a room with tranquil Japanese garden views. Both rooms are equipped with microbubble baths, renowned for their health and beauty benefits.

Guests can dine at an open kitchen counter, which provides a close-up view of the chefs preparing meals, or a private dining room with garden views. The property also accommodates meetings and conferences.
