### Forest Adventure – Outdoor Meetings in the Woods (Aerial Tree Activities × Team Communication)

All images are for illustrative purposes only

#### The Experience

After enjoying the aerial activities at Forest Adventure, participants can hold outdoor meetings in the forest. Sharing active, unique experiences helps break the ice and encourages open, meaningful discussions. Ideal for offsite meetings, corporate events, workshops, and incentive trips, it supports a wide range of corporate MICE needs.

#### Unique Venue Selling Points

A Unique Experiential Program Easily Accessible from Tokyo and Yokohama. This program combines aerial activities in the forest with outdoor meetings. Sharing adventures and discussions in nature fosters cross-cultural interaction, making it ideal for corporate events and incentive trips.

- Experience can be conducted even in rainy weather. (Raincoats are also available for purchase.)
- Participants must be at least 1st-grade elementary students and 110 cm (3'7") or taller.

## Forest Adventure – Team Building in the Woods (Aerial Tree Activities × Team Building)

All images are for illustrative purposes only

### The Experience

This group program combines aerial tree activities, such as ziplining, with customizable team-building exercises. Optional Japanese cultural elements, like shuriken throwing or blowgun experiences, can be added. Ideal for corporate events, incentive trips, and offsite training, it offers a unique chance to enjoy nature-based interactive experiences while fostering teamwork.

### Unique Venue Selling Points

This uniquely Japanese program lets teams tackle challenges together in a natural forest setting, naturally fostering trust and unity across language and cultural barriers. Combining fun and learning, it offers a memorable experience that can only be enjoyed here.

- Experience can be conducted even in rainy weather. (Raincoats are also available for purchase.)
- Participants must be at least 1st-grade elementary students and 110 cm (3'7") or taller.
